## 25 YEARS OF AWARD WINNING INNOVATION

2025 marks a huge milestone for LARGEPRINTING.com as we celebrate 25 years of serving Kansas City and beyond with our top-tier print and finishing capabilities. Since our humble beginnings at the turn of the century, we've stayed committed to delivering high-quality solutions with speed, precision, and creative flair (because boring prints are not our thing.)

### A Legacy of Growth

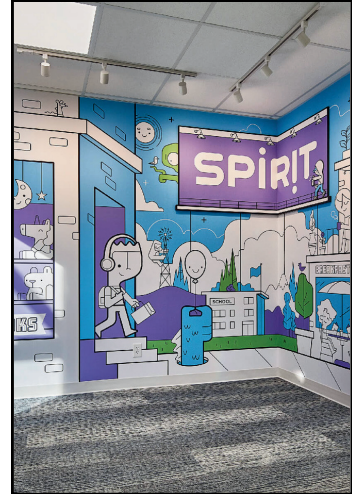

What started as a scrappy little large format print shop in Kansas City's River Market has grown into one of the region's go-to spots for massive, high-impact printing and finishing. Back then, digital large-format was the new kid on the block -- we were among the first in the area to embrace it. Over the years, we've invested in the latest technology, expanded our services, and upgraded to bigger spaces. We're currently located in Southtown Kansas City at 6633 Troost, formerly the home of the Kansas City Crime Lab (don't worry, we left the forensic work to the pros).

### Passion for Print and Innovation

Our passion for pushing the limits of large-format printing has earned us recognition for excellence and innovation. Whether it's eye-catching retail displays, intricate signage, or custom-cut graphics, our ability to deliver stellar results at record speed has kept us ahead of the pack.

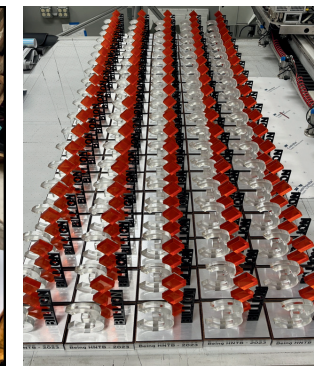

### Keeping Kansas City Looking Sharp

At LARGEPRINTING.com, our success is fueled by strong community ties, a dedication to our customers, and a team that knows their stuff. The majority of our crew has 5 or more years of industry experience. They bring serious print and process know-how to ensure that every project meets the highest standards.

### What will the Next 25 Years Bring?

As we hit this 25-year milestone, we're not slowing down. We're looking forward to more bold designs, faster prints, and keeping our customers thrilled with our work. Thanks to our amazing clients, partners, and team members for making this wild ride possible. Here's to another 25 years of making big things happen!

For more information on what we do and how we can help bring your next project to life, call us at **816-221-2434**, or e-mail us at [sales@largeprinting.com](mailto:sales@largeprinting.com), visit our website at [LARGEPRINTING.com](http://LARGEPRINTING.com) or register for one of our Spring tours.
